Dear guests ,

July and august are the perfect months to combine the golf game and the beach. In the early morning hours you can enjoy a round on our private golf course and in the afternoons you can relax at one of the nice beaches that offer the Mallorca southeast coast.

Connect your favourite sport with a nice summer feeling at the beach.

The Reserva Rotana makes you an attractive offer for July and August 2009:

***For a stay of 5 Nights you just pay 4 nights. You get 1 night for free!
For a stay of 7 Nights you just pay 5 nights. You get 2 nights for free!***

Besides on your arrival depending on our availability you will get an upgrade to the next room category.
